

Rishab Rampure Anand

MEng Computer Science & Software Engineering
At University of Birmingham Dubai

I am compassionate, highly motivated, and eager to learn. I show excellent collaboration and communication skills with everyone. Calm and focused under pressure. I have acquired great time managing skills. I'm a disciplined and consistent individual as I have been consistently working out, Power lifting (Power lifting member at UoBD) and playing cricket and badminton professionally for the past 6 years. Willing to gain valuable experience and explore my skills.
